

Welcome to Carversteak Wine

The Blinder

Carversteak's wine vault is an evolving showcase of the great international wine producers from around the globe, featuring renowned classics alongside rising superstars from unknown places made by those unknown faces.

One of the more unique ways to navigate this treasure trove is the Blind Wine Program, aka "The Blinder," where sommeliers act as guide. An essential key to opening the pleasures of the grape is the removal of all preconceived notions and bias. Knowing where, what, or how no longer matters. Let flavor, balance and complexity lead the way. So go ahead - I dare you - ask for "The Blinder" and sharpen your palate, hone your taste.

There are two ways to blind taste. Either choose from the pre-chosen wines each with clue and flavor profile or have a sommelier consultation.

"As I ate the oysters with their strong taste of the sea and their faint metallic taste that the cold white wine washed away, leaving only the sea taste and the succulent texture, and as I drank their cold liquid from each shell and washed it down with the crisp taste of the wine, I lost the empty feeling and began to be happy and to make plans."

- Ernest Hemingway
